The *pirax* game

- You will be shown three sentences on each slide
- Each sentence has one word that is blanked out (repeated blanks are the same word)
- You are training yourself to learn the meaning of a new word: ***pirax***
- In each slide, choose one of the three sentences to fill in the blank with the word ***pirax***
- The order of the sentences is randomized so ***pirax*** appears in 1st, 2nd or 3rd position.
- Once we have seen several examples, we will repeat it once
- There is no right or wrong answer! At first you will be guessing and that's ok.
- At the end of your "training" do your best to describe ***pirax***.
